CALTRANS TO CLOSE EB 60/SB 215 FROM INTERCHANGE TO SPRUCE STREET UNDERCROSSING

Riverside - The California Department of Transportation (Caltrans) will conduct a full closure of the 60/215 in the eastbound/southbound direction. The closure will allow the contractor to install false work over the freeway. This work will begin Tuesday, May 23, 2006 and will take place each night until all the false work is in place. The closure will start at 9:00 p.m. and finish at 5:00 a.m. Due to the upcoming Memorial Day holiday, work will cease the morning of Friday, May 26th and will resume Tuesday, May 30, 2006.

Motorists wanting to continue eastbound/southbound are advised to take the westbound 91 at the interchange, to 14th/Martin Luther King exit going eastbound, continue on Sycamore Canyon Road southbound, to the El Cerrito off-ramp, and back onto the I-215 southbound. There is no impact to the 60/215-westbound/northbound freeways.

Caltrans thanks motorists for their continued patience and support and asks that motorists please be aware of the construction area and always make a point to

SLOW FOR THE CONE ZONE.
